

About The International Schools' CyberFair

The International Schools' CyberFair is an award winning, authentic learning program, sponsored by the **Global SchoolNet Foundation** in partnership with the **World Future Society**. This annual international contest, now in its 12th year, is used by schools and youth organizations around the world to connect young people with their communities. It has been described as the largest educational event of its kind ever held on the Internet and has brought together more than one million students from over 109 countries.

Schools entering our T&T Schools' CyberFair contest may also enter this International competition. For more information, visit the International Schools CyberFair 2007 website at: <http://www.gsn.org/GSH/cf/> or contact the Distance Education Unit at deu@gov.tt or Tel: 625-2615.
